We truly believe to fully  
consider ~~all~~ ~~the~~ both sides and  
fairly address all 14 points/questions.  
We need to reconvene in the  
morning. We truly feel we can  
reach consensus in a reasonable  
time period. Is 8:30 an okay  
time to start?

Judge

Do we award damages  
under breach of contract,  
only wondering since there  
is no area to give dollar  
amount until after fraud.
